## Town Board Meeting Tuesday, July 14 at 2 pm

### FROM THE SUPERVISOR'S DESK

**Frank P. Petrone,  
Supervisor**

It has been almost three years since Super Storm Sandy crossed Long Island, downing trees, flooding houses and knocking out power. For some – those who did not experience significant damage – Sandy is becoming a distant memory. And that is not a good thing.

Hurricane season is upon us again, and the lesson from Sandy that we cannot forget is the need to be prepared. The Town tries to help you make the necessary preparations by publishing a Hurricane Preparedness Handbook, which we update each year. You can get a copy of the 2015 edition at the Senior Center, at your local libraries and at local firehouses. You can also view or download a copy from the Town's website, [www.huntingtonny.gov](http://www.huntingtonny.gov).

The handbook contains helpful hints on what you should do – NOW – to protect your property and what you need to get together in the event you, and your pets, have to leave your home. Remember batteries for your flashlights, bottled water and non-perishable food. Have a plan for contacting relatives so you know all of you are safe. Make sure, if you have an unlisted number, that you have signed up for the Town's Huntington Alert emergency calling system so you will receive telephone notifications the Town sends out (if you have a listed number, you are already on our call list). If you want to receive the call on a cell phone, you also have to sign up with that number.

The forecast is for a lighter than normal hurricane season. But we all know how little we can rely on those forecasts. Better to be safe and to be prepared, than to be sorry.

*Frank P. Petrone*

## Town of Huntington Senior Division Trips

### “AFTER THE TITANIC” TOUR with NADINE THURSDAY – SEPTEMBER 10, 2015 \$89 Per Person

The motor coach will depart the Huntington Senior Center at 7:45 am sharp. Complimentary buttered roll and juice provided as we travel to Manhattan.

Tour guide Nadine, will take us on an informative journey around Manhattan with stops at the Jane Hotel on Jane Street and the Hudson River, Chelsea Piers and the former White Star Lines pier where the rescue ship (the Carpathia) brought to NY over 700 Titanic survivors. See the Titanic Memorial Lighthouse at the South Street Seaport and a memorial to Edith Course Evans, who gave up her seat on one of the lifeboats. Drive by Macy's - owned by Ida and Isadore Straus who went down with the ship. Learn about what happened to passengers in first, second and steerage class as well as what happened in NYC in the aftermath.

We will stop for lunch at Da Rosina Italian Restaurant on Restaurant Row. Lunch includes choice of: appetizer, main course and dessert. Soda and water served during lunch, coffee and tea during dessert.

After the tour, we visit the South Street Seaport to see the first steps made to revitalize this neighborhood hit so hard by 9/11, the economy and Hurricane Sandy. Seaport Studios is a brand-new, two-level concept store located at the corner of Fulton and Front Streets. Level one is a modular space that creates a retail environment without limitations, with independent brands, local makers, today's trending designers and a coffee bar that overlooks the iconic ships and cobblestone streets. Level two is a lounge and art gallery with exhibits and ongoing programs and events that create an inspiring place to gather, engage and relax. This is truly a trip for history lovers and sightseers alike. Return to Senior Center by approximately 7:00 pm.

### BANKS OF THE HUDSON – FALL FOLIAGE 2015 WEDNESDAY – OCTOBER 7, 2015 \$99 Per Person

Join us on our 2015 Fall Foliage trip along the banks of the Hudson. We begin our journey at 7:45 am with a complimentary buttered roll and juice as we travel to nearby Tarrytown.

Staff will take us on a guided tour of the 1838 mansion, which is complimented by park-like landscape and includes a comprehensive collection of original decorative arts.

Upon completion of the tour, we will travel NORTH along the Hudson River to historic Cold Spring, NY... "A Village that Lives in History". Here we will find The Cold Spring Depot, offering charm, history and delicious food. The interior features a cozy setting with a roaring fireplace and bookcases lining the walls. Lunch will feature choice of soup or salad, main course, beverages and dessert.

After lunch, stroll the town for antiques, general stores, and specialty shops or simply watch the trains pass along the tracks while enjoying ice cream.
